Dear Parents and carers

## RSE Consultation

As you may be aware, the Department for Education has announced changes to Relationship and Sex Education (RSE), a statutory element of the broader PSHE curriculum. In order to comply with the guidelines, we at Godalming Junior School are welcoming feedback on our revised policy, which indicates what topics are taught when. We also would like to signpost you to the part of our website containing the school policies and further documentation on this topic [here](#).

PSHE has very high status in the school and is woven throughout the culture of the school linked with our Love, Live, Learn ethos, our precious values and the work we continue to carry out on the UNICEF Rights of the Child. We feel it is imperative that we educate all children in an age appropriate manner when teaching these elements of this curricular area.

We do consider this area of learning a strength at GJS and this is why we welcome your comments and views on our policy and brief presentation to parents, again, found on the website.

If you would like to look at the documents and return any questions or comments for our review please contact the school office at, [info@godalming-junior.surrey.sch.uk](mailto:info@godalming-junior.surrey.sch.uk). Any questions or comments will be kept and reviewed, with responses sent after this date.

Kind regards

Mr Adam Samson  
Headteacher
