Value in Focus: CREATIVITY

We will be focusing our attention towards the value of creativity during our assemblies, Circle Times and PSHE lessons during the last few weeks of the year. At GJS there are many opportunities for the children to be **creative**. Whether this during lesson time or their free time at break and lunch coming up with games and activities. We would very much appreciate this being reinforced at home through your **home talks** on such matters. Maybe celebrating people in history that have shown creativity; particularly in the arts world of music, painting, designing, writing, performing. Those who stood out from the crowd and dared to be different!

10R–International Week–Europe

Next week sees GJS celebrate our penultimate 10R week of the year as we focus on **Europe**, our final 4 year journey around the world! Previous years have seen the children 'visit' **Africa, Asia and The Americas!** Our final stop sees classes visit countries such as **Germany, Iceland, Poland and Cyprus!** The children are sure to have a great time exploring the countries and we will feed back next week, Ciao!
